Purpose: The purpose of the College of Commissioner Science is to provide ongoing practical training for all Commissioners to allow them to better serve their units. The college provides an in-depth knowledge of essential aspects of Commissioner duties and responsibilities. The result is a stronger and more knowledgeable Commissioner Corps which can better serve units. The College of Commissioner Science is the highest form of Commissioner education available at the local level.

The following programs are offered:

- ~The Bachelor Program
- ~The Master Program
- ~The Roundtable Program
- ~Enrichment Courses for Continuing Education
- ~Assistance toward the Doctorate of Commissioner Science Degree Program
- ~Assistance toward the Doctorate of Commissioner Science Knot Award

More information and course lists coming soon!

*All BSA Nationally approved courses previously taken by participants will be eligible for transfer to this college, for people who are working towards a specific BSA degree or their Knot. Courses earned here will be eligible in reverse, and transferable to other colleges.
