

# Three Fires Council, District Activities 2020-2021

Starting in 2021 the program fee helps cover the following: tent camping rental fee at CFL/CBT, cloth ranks, Eagle kits, adult basic training, volunteer recognition (knots, certs., & awards), secondary auto insurance, and camper accident & sickness insurance. In 2021 there will be no District activity registration fee as long as the participant's registration is received prior to the deadline (2 weeks in advance). Otherwise they may incur a \$10 late fee, if activity is not already at capacity. This allows those running the events to plan and carry out these activities effectively. (Those that pay the program fee in 2020 will get the benefits in 2020).
