

2020 Popcorn Sale Door Hanger!

Use the door hangers directing customers to your online sales if they are not home or if the Scout prefers to not have contact with the customers in the neighborhood"

The following template is for you to create your personalized labels. This will allow the customer to contact you to place an order or to buy online! You will need some name badge (5395) labels.

Thats a WIN!

The template is a fillable PDF, so you type in your information and print the labels, could not be easier.
