Come and join us as we go through the **PRAY Curriculum**

Beginning in February, New Hope Community Church
will be presenting the PRAY Curriculum along with our Kids Club.

PRAY is the religious emblem program for most Protestant and Independent Christian Churches.
Wednesday, February 9 from 6:30-7:30pm will be an information meeting that parents and scouts should
attend, and the curriculum will begin the following week with specific schedules presented on the 9th.

Jesus and Me (Kindergarteners and First Graders)

Lions and Tigers, along with a required adult partner, will go through Jesus and Me.
This 4-session program introduces Jesus as a storyteller, teacher, friend, and healer.

God and Me (Second and Third Graders)

Wolfs and Bears, along with an optional adult partner, will go through God and Me.
This 4-session program uses games to help scouts think about God, Jesus, Prayer, and Service.

God and Family (Fourth through Sixth Graders)

Webelos and young Scouting BSA scouts, along with an optional adult partner,
will go through God and Family.
This 6-session program "builds a pizza" as a means to
explore healthy family dynamics and the ways they are strengthened through faith.

The cost for this is \$20 per student, this covers the curriculum, and awards
