This will work. You are approved as long as you have permission from the private property owners in front of the stores where you will be selling the popcorn. I will pass the information along to our patrol division in the unlikely event that anyone complains. Otherwise, you are good to go.

Good luck.

Hi Shawn,

Thank you so much for your email. Attached is a copy of the original letter that was mailed. This is an annual fundraiser but my first reaching out to the cities. I hope I sent the info correctly.
