Purpose: The purpose of the College of Commissioner Science is to provide ongoing practical training for all Commissioners and prospective Commissioners to allow them to better serve their units. The college provides an in-depth knowledge of essential aspects of Commissioner duties and responsibilities. The result is a stronger and more knowledgeable Commissioner Corps which can better serve units. The College of Commissioner Science is the highest form of Commissioner education available at the local level.

The following programs are offered:

- The Bachelor Program
- The Master Program
- The Doctorate Program
- Enrichment Courses for Continuing Education
- Roundtable Courses
