

## Auto Renewal Membership- Family/Self Pay instructions

Use your full legal name as it is on your application to avoid multiple accounts or member ID's. Only the parent that registered the Scout can access the renewal. To add a parent connection please contact Three Fires Council, Norris Service Center-(630) 584-9250.

1. Go <https://my.scouting.org/>
2. Click on "Create an account" or log into an existing account.
3. Enter your personal information and follow the prompts.
4. If the system finds a match, please select that account rather than creating a new account.
5. If you are creating a new account, enter a username and then click "Check Username Availability." If the username is available, click "Next" or enter a different username.
6. Complete the profile information screen and then click "Next."
7. Select your security questions, enter the answers, and then click "OK."

Once logged in:

8. Select "My Application."
9. Select "My Renewals" (contact the council if you are missing the Scout).
10. Select "Renew" and follow the prompts to complete the payment.

## FAQ

### **Q: Why can't I see my Scout in my renewals?**

You may be missing a parent connection or have multiple accounts. Please contact the council to add a parent connection and provide account support.

### **Q: What is the renewal fee?**

The renewal fee for youth members and adult participants is \$170. The renewal fee for adult leaders is \$77. The renewal fee for adults that are only merit badge counselors is \$25.

### **Q: How does someone keep a multiple position from renewing if they don't want to continue that position?**

At renewal they can "turn off" any multiples and they will not renew.

### **Q: What if there is a scout (age 18-20) registered as a crew member but also in a troop?**

The youth position in the crew should be the paid position, with the adult position in the troop being a multiple position. This qualifies the members to attend any camps or events where youth registration is a requirement or allows them to work on any youth awards.

### **Q: Current Scouter takes on an additional position, will both positions have the same expiration date?**

All multiple positions will align with the paid position. So yes, the multiple position will have the same expiration date as the paid position.
